The Magen David Adom Ambulance Volunteer Program

Magen David Adom (the Israeli equivalent of the Red Cross) provides emergency first-aid services throughout Israel, and works with its volunteers to provide effective initial treatment. The MDA Volunteer Program, run in conjunction with the Jewish Agency for Israel invites you to be part of this mission. It gives university students an exciting opportunity to gain valuable experience, giving first-aid care, while experiencing real life in Israel. Source: The Jewish Agency for Israel
